CONCERT FUNDRAISER SUCCESSFUL!

With performances from local artists, the benefit concert at the Hideaway downtown Johnson City raised almost 500\$ for us to continue the Food and Household Outreach program.

We deliver food and household outreach boxes to community members in need on a regular basis: twice a month from our Johnson City location, and are in the process of setting up other locations.

Our next Outreach date is January 7th, 2023. Requests must be submitted by 11:59pm on the Thursday before Outreach dates for us to be able to fill them on the date.

After looking at our program growth, we determined that we needed a new survey. We created one that will hopefully streamline the process for all involved, which you can find on our website at tcman.org/survey

If you want to volunteer or donate material goods for our food and household outreach, you can find a help form on our website at tcman.org/outreach

Q: Where does the network serve?

A: Our scope is the Tri-Cities of Johnson City, Kingsport, Bristol and the surrounding region.

Our food and household outreach program is currently able to reach Tennessee residents in zip codes beginning with 376, and some Virginia residents in zip codes beginning with 242.

Q: What can the network do?

A: As a network, we connect community members with resources, and provide volunteers to community projects. We run programs, like our food and household outreach program, to meet volunteer effort and grassroots funding with local needs.

A: Community members can fill out a survey on our website to receive a delivery of food and household items. This survey is found at tcman.org/survey.
